How to succeed in Colaiste Árainn Mhóir

The key to each learner's success while attending Coláiste Árainn Mhóir lies in his/her willingness to speak as *gaeilge* during the course. The responsibility rests on learners to ensure that on arrival at Coláiste Árainn Mhóir they are properly motivated and have a positive outlook towards speaking *gaeilge*. Students must be studying Irish at school. While classwork and formal sessions are important, the heart and soul of a *cúrsa gaeilge* is for the language to be used in a casual and informal manner and in situations where learners are not in the immediate presence of a teacher or *Bean an Tí*.

Riail na Gaeilge

A student is in breach of *riail na gaeilge* if he/she deliberately converses in English. In the case where the student is not adhering to *riail na gaeilge* the following steps are implemented.

Step 1: The student is spoken to re *riail na gaeilge* and given a verbal warning.

Step 2: A second verbal warning is given.

Step 3: If the student continues to disregard *riail na gaeilge* the principal of the college will contact parents/guardians and inform them that their child is not complying with *riail na gaeilge*. Parents/guardians will be asked to speak to their child and inform them that they will have to leave the course if they are found once again to be in breach of *riail na gaeilge*.

All college rules must be adhered to in order to ensure a safe, enriching and happy holiday.

Parents/guardians must study these rules with their son/daughter to ensure that they understand and are willing to comply with them.

Parents /guardians should study all of our policies and familiarise their child with same.

All Coláiste Árainn Mhóir policies can be accessed at www.colaisteam.com under Parents Area.
